Augsburg University Student Account Policy

I. Eligibility For An Account:

AugNet accounts are provided for all students currently enrolled in at least one class in an Augsburg undergraduate, adult undergraduate or graduate program.

II. Process

Student-only accounts:

Accounts are created nightly and require activation by the student to become active. Undergraduate day student accounts are created once the student has deposited. For all other programs, accounts are created upon acceptance.

Faculty or staff who become students:

In the case of an employee who becomes a student the same account will be retained for student activities.

III. Exceptions
Decisions on exceptions will be made by the CIO or designate.
