

Drop-in Tutoring

What is Drop-in (DI) Tutoring?

- DI Sessions
 - DI sessions are scheduled weekly.
 - Students are encouraged to drop by, at any point during the scheduled times, and ask questions.
 - Students may choose to study in the drop in area and stay as long as they would like during the scheduled times.

- DI Tutors
 - DI tutors are model students who have done well in the course and have been recognized by faculty as having the skills to tutor their peers.
 - DI tutors are often able to tutor multiple courses in the same department.

To schedule DI sessions for your course, please do the following:

- Identify and recommend a former student who excelled in the course and has the necessary study habits and interpersonal/leadership skills required to assist their peers and inform the Tutoring Services.
