## Planning Sheet: GRADUATION SKILLS REQUIREMENTS

These requirements were implemented for Fall 2008. Please talk with your faculty advisor for information.

**Graduation skills, including the Quantitative Reasoning requirements, are completed as follows.** Graduation skills in Critical Thinking, Writing, Speaking, and Quantitative Reasoning are required for graduation. Critical Thinking is embedded in all majors. Plans for completion of other graduation skills are determined by the major department. Consult your department chair or faculty advisor to select appropriate courses to meet the Quantitative Reasoning (QR) graduation skill. QR is satisfied by completing one (1) Quantitative Foundational course (QF) and one (1) Quantitative Application course (QA), or one (1) combined QFA course. The most current information on Graduation Skills can be found online at [www.augsburg.edu/catalog/](http://www.augsburg.edu/catalog/) and clicking on "Graduation Skills Catalog Supplement 2008 – 2010" near the bottom of the page.

**Transfer students must consult an advisor about potential adjustments to their course requirements to fulfill each graduation skill.**

## Sample Four-Year Plan (B.A.)

This is a possible plan for the Bachelor of Arts in Studio Art, though there are many configurations of courses. The major consists of twelve courses. Students are encouraged to consider their options regarding an additional major or minor(s), or pursue a study abroad opportunity. Please check with a department advisor if you are interested in a double major in Studio art and Art history or a major/minor combination.
