You Can Help Prevent Crime at Augsburg!

*Where possible, walk in groups. Groups of people are significantly less likely to be harassed or victimized.

* Stand-up straight, walk with purpose and be aware of your surroundings. Criminals generally look for an easy target, someone they can sneak up on without being seen. Avoid wearing ear-buds, texting, or talking on the phone while walking.

* When possible, leave your valuables at home.

* Back-up your data! Your files can easily be backed-up to your network folder or a USB drive. Don't risk losing your notes, research and other work. If you have any questions about the best way to back-up your data, talk to your LFC or to Student Computing.

* Call for an escort! Escorts are available all day, every day.

* Immediately report suspicious activity to the Department of Public Safety at x1717.
