

Augsburg College Summer 2008

Financial Aid Application for Registered Students

Please read the following information if you plan to use financial aid to pay for summer 2008 tuition.

- You must have a complete financial aid application on file in the Enrollment Center:
 - * **DAY** students will use 2007-08 application materials AND this form. Most continuing students will already have these documents on file in the Enrollment Center. We will simply revise your 2007-08 award to include summer 2008.
 - * **Augsburg for Adults** and **Graduate** students will use 2008-09 application materials AND this form.Find application materials at: <http://www.augsburg.edu/enroll/finaid/index.html>
- * **PA** students do not need to submit this summer 2008 Financial Aid Application.
- No Augsburg funding (Augsburg Tuition Grant, Regents' Scholarship or Legacy Award) is offered during summer term. Some students may be eligible for the Minnesota State Grant and/or Federal Pell Grant. Most students who intend to use financial aid to pay for summer term will need to use student/parent loans. Some Day students may use a Federal Stafford loan if they have not already received the annual maximum for their grade level during the 2007-08 academic year. Day students who have already used their maximum Federal Stafford amounts may choose to apply for a private alternative loan or a parent PLUS loan (the student must be registered at least 2.0 credits between the two summer sessions to utilize the PLUS loan program).
- Only students admitted as regular, degree- or certificate-seeking students are eligible for federal or state financial aid. Students admitted for summer term only are not eligible for federal or state aid, but may apply for a private alternative loan.
- Augsburg for Adult students enrolled in spring trimester are not eligible for financial aid for Summer Session I as the terms run concurrently.
- Students whose only summer enrollment will be a study abroad experience do not need to submit this form.
- **To be considered for financial aid for summer 2008, you must submit this form and sign it to acknowledge that you have read the above information. Only applicants who have submitted this form AND are registered for summer term will be considered for financial aid for summer 2008.**
