

Augsburg Enrollment Services: Parent Newsletter

STUDENT ACCOUNTS CORNER:

Spring Tuition Charges:

All spring tuition and fee charges were due **January 7th**; any remaining balance after that date was/is subject to finance charges. Students have had reminders sent to their Augsburg email account during the first week of each month reminding them to view their online monthly bill; all students are encouraged to give parents/guardians access to view these statements.

Online Resources/Contact our Office:

All students can schedule an appointment with a Student Financial Services staff member, review their student account, and track their financial aid status by going to <http://www.augsburg.edu/studentfinancial/>. Students may also email studentfinances@augsborg.edu, or call us at (612) 330-1046.

Online Payments:

Payments can be made online by going to <http://www.augsburg.edu/studentfinancial/payments/>. Students can go to <http://www.augsburg.edu/studentfinancial/> and click on "Review Your Student Account" to see if they have an unpaid balance.

See the Parent Information tab at www.augsburg.edu/studentfinancial/ for instructions on making a payment and obtaining access to discuss your student's financial information, etc.

Please note that we will be unable to speak with any parent/guardian that has not been authorized by the student.

Summer and Fall Registration:

Registration for the Summer and Fall 2019 terms begins soon. Tuition accounts must be paid in full to register for either term, and for a diploma and/or transcript to be released; payments can be made online by going to <http://www.augsburg.edu/studentfinancial/payments/>.

Private Loans Still Available:

PLUS (Parent Loan for Undergraduate Students) and other private loans can still be applied for at <https://www.augsburg.edu/studentfinancial/loans/undergraduate-day-2/>. Please note that all PLUS or private loan applications must be completed by Friday, April 12th in order to guarantee funding for the spring term.

2018 Tax Preparation:

Students have been notified that their 1098-T is available for their 2018 tax preparation. Students can view the form by logging on to AugNet Records and Registration and clicking on "Make Payment/Account Activity". The 1098-T tax form can be found on the bottom right-hand side of this page.

The 1098 -T is a statement of qualifying education expenses that colleges and universities are required to issue for the purpose of determining a student's or families eligibility for the Hope and Lifetime Learning education tax credits. 'Qualified tuition and fees' are only those that are required for attendance at Augsburg University; they do not include room and board costs, athletic gear, etc. The amount listed in Box 1 is the amount of payments that actually went to qualifying educational expenses.

REGISTRAR INFORMATION

Summer/Fall Registration: Registration for Summer and Fall semesters opens on 3/27/19. Students with holds that will prevent them from registering have been notified via email.
