Are You Missing Financial Aid Documents?

All financial aid applications for the current academic year should be completed by April 15th. Failure to meet this deadline will likely result in a loss of financial aid. You can see what documents are missing on our website by clicking on "Review Your Financial Aid".

Are You Filing 2019 Taxes?: Any student who had qualifying education expenses during 2019 will soon be notified that their 1098-T is available for their 2019 tax preparation. You can view the form by logging on to AugNet Records and Registration and clicking on 'Make Payment/Account Activity'. The 1098-T tax form can be found on the bottom right-hand side of this page.
