

# AUGSBURG COLLEGE

I, \_\_\_\_\_, shared information with the Center for Global Education at Augsburg College (hereafter referred to as "College") about a sexual harassment/sexual violence incident. The options below were discussed with me. Regardless of the option I choose today, I understand that I may change my mind at any time and ask the College to investigate or not investigate the incident.

**Options – Please check all that apply**

- #1:** I do not want the College to do anything with the information at this time. I understand that the College may need to investigate and will inform me if action must be taken, including notifying law enforcement or my home institution, if it's different than Augsburg College.
  
- #2:** I want the College to investigate the information I provided and talk with the party involved but do nothing more. I understand that the College may need to investigate further and will inform me if action must be taken, including notifying law enforcement.
  
- #3:** I want the College to assist me in pursuing legal options with human resources, local law enforcement, and/or any other appropriate groups.
