

How to Access Your Course Moodle Site

After you have activated your account, [Go to Inside Augsburg](#) and log in

INSIDE AUGSBURG

The screenshot shows the 'INSIDE AUGSBURG' website interface. On the left is a navigation sidebar with sections: 'NEWS AND EVENTS' (containing 'Inside Augsburg Home' and 'News Resources'), 'AUGNET SERVICES' (containing 'Student, faculty, and staff login for secure services.'), and 'EXPLORE AUGSBURG'. The login form in the 'AUGNET SERVICES' section has a 'Username' field highlighted with a red box and an arrow pointing to a note. The note states: 'Note: when you log in here, you do not need to use your entire Augsburg email address, only your user name.' Below the login form is a 'forgot password?' link and a 'login' button. On the right, there is a photograph of the Augsburg Bold building entrance with a banner that reads 'AUGSBURG BOLD'. Below the photo is a news item titled 'Augsburg Bold Speaker Series' with a sub-headline 'Augsburg launches Augsburg Bold, a set of unique programming and responses to the current environment. Attend our speaker series starting Sept. 25. More >'. Below this is another news item titled 'Augsburg COVID-19 Planning'.

When you have done so, click on the *Moodle 2020-21* link on the left sidebar.
