

## 2019-2020 CERTIFICATE OF FINANCES - MAE

### Financial Certification

International students are responsible for demonstrating sufficient funds to meet all educational and personal expenses for the duration of their studies at Augsburg. The U.S. Department of Homeland Security requires Augsburg to maintain records showing international students have demonstrated funds necessary to cover tuition, fees, and living expenses for their first year of study. If you bring your spouse and/or other dependents with you to the United States, you must also demonstrate that you have the funds necessary to cover those costs.

In order to issue a Form I-20, needed to obtain an F-1 student visa, you must submit this completed form and provide the information required – including the signature of your family member, original bank statement or official back letter from an officer of your bank/other financial institution, and or sponsorship letter. All funds must be guaranteed, either currently on deposit or documented in an official letter if you are a sponsored student. Bank statements (issued within the previous 3 months) may include checking or savings accounts, certificates of deposit, or money market accounts. All financial documentation and enrollment confirmation must be received before your Form I-20 can be issued.

Please submit the completed form and supporting documents electronically to [how@augsborg.edu](mailto:how@augsborg.edu).
