Financial Certification

U.S. Department of Homeland Security regulations require the college to maintain records showing you have met its financial requirements (as well as its academic and language proficiency requirements). **You are responsible for demonstrating you have sufficient funds to meet all educational and personal expenses for the duration of your F-1 status at the college.** This means you must provide proof you have at least the amount necessary to cover your tuition, fees, living and personal expenses for your first academic year (nine months). Please note: If you bring your spouse or other dependents with you to the United States, you must certify you have the additional funding necessary to cover the additional costs.

Financial Documentation

Official proof of funding cannot be more than 3 months old at the time of application and funding needs to be in liquid assets only. Funds do not need to be in U.S. dollars.

The documentation of funding (for applicant, family member & individual sponsor) must be on original bank letterhead stationery with a signature of a bank official in ink. A photocopy of a bank statement, stock statement, savings account statement or certificate of deposit will also be accepted if it is stamped by the issuing bank in original stamp ink and has a signature of a bank official in ink.

* If funding will be provided by a family member or individual sponsor their signature is required on the bottom of this form. If a signature cannot be obtained on this form, an original letter with an original signature in ink from the family member and/or individual sponsor is required. The letter must indicate the amount the family member or individual sponsor is willing to fund per year, and the length of time the funding will be available.

An English translation by an official translating agency may be necessary; if so, please provide this along with the documentation you submit. All financial documentation must be received before your immigration paperwork can be issued.

Scholarships

Documentation of outside scholarships you will receive is also required. This documentation must include a copy of the award letter and the details of the scholarship(s).

If you are applying for an Augsburg College scholarship, you will still need to indicate the amount you and/or your family member and/or your individual sponsor will be funding. Scholarships are not guaranteed and if you do not receive a scholarship, you will be asked for additional proof of funds.
