

Minnesota Debate & Advocacy Workshop Scholarship Application

Scholarship Information

We are fortunate to have a scholarship budget for students considering attending the Minnesota Debate and Advocacy Workshop. Our goal is to ensure that every student is able to afford to attend. We will try to make decisions about scholarships in a timely manner to facilitate participation. Scholarship applications are due by **April 15, 2015**.

Scholarship decisions are based on need, with commitment to the activity taken heavily into consideration. Students receiving scholarship funds will be expected to participate in tournaments and practices throughout the school year. We request that students who accept a scholarship retain and share all debate evidence with their teammates and coach, as well as attend at least four weekend debate tournaments during the upcoming season.

Please provide the following information and return this form with your enrollment information by email, post, or fax to:
