ALL COURSES at Augsburg College carry a value of one Course Credit, the equivalent of six quarter credits or four semester credits.

PROJECTED SUMMER OFFERINGS are listed in this brochure.

LOWER-DIVISION COURSES, intended primarily for freshman and sophomore students, are those with a 1 or 2 as the third digit of the five-digit Course Number. A 3 or 4 in that position indicates an upper-division course, intended primarily for juniors or seniors.

COURSES REGULARLY TAUGHT during the academic year are more fully described in the catalog issue of AUGSBURG COLLEGE NOW. If you need more information about a special summer offering, please contact the Summer School Office.

INDEPENDENT STUDY, while not fitted among the courses, may be pursued during the summer in a number of departments. For information, consult the Summer School Office.

CHANGES IN REGISTRATION must be made at the Summer School Office. No course may be added after it has met more than six hours elapsed class time, except with the special permission of the instructor.

THE COLLEGE RESERVES THE RIGHT TO CANCEL LISTED COURSES.

SUMMER STUDENTS may take one course during Term I and two courses during Term II, for a total of three courses in the two regular terms.

PERSONS PLANNING to attend Summer School are advised to apply as soon as possible, since courses without substantial demand may be dropped.

STUDENTS NEEDING HOUSING may obtain information from the Director of Housing. Limited food service is available, supplemented by several restaurants and snack shops in the Augsburg vicinity.
