GENERAL INFORMATION

Summer Students may take one course during Term I and two courses during Term II. All courses except those indicated carry a value of one course credit, the equivalent of four semester credits or six quarter credits. Courses fulfilling distribution requirements are so noted in the course descriptions.

Course Levels are indicated by the first digit of the three digit course number: 1 or 2, lower division, primarily for freshmen and sophomores, 3 or 4, upper division primarily for juniors and seniors, and 5, graduate level.

Courses Regularly Taught during the academic year are more fully described in the October issue of AUGSBURG COLLEGE. If you need more information about a special summer offering, please contact the Summer School Office.

Independent Study and Internships in addition to those listed may be pursued during the summer in a number of departments. Internships involve work experience related to the academic program in an agency, government or industry. Consult the Summer School Office for information.

Changes in Registration must be made at the Registrar’s Office. No course may be added after it has met more than six hours elapsed class time, except with the special permission of the instructor.

Students Needing Housing may obtain information from the Director of Housing. Limited food service is available, supplemented by area restaurants and snack shops.

The College Reserves the Right to Cancel Listed Courses.

ELIGIBILITY

Persons In Good Standing at regionally accredited colleges and universities, graduates of such institutions, and students admitted for the next Fall Term are eligible to attend Augsburg Summer School. Good standing implies that the student has been admitted and not subsequently dropped by that institution.

Other Persons wishing to take summer school work should contact the Director of Summer School to ascertain eligibility under special circumstances.

Acceptance as a summer student does not imply admission as a regular student of Augsburg College. Those wishing to begin a degree program at the college should apply for admission through the Office of Admission.

Maximum loan is $2,500 per year or the cost of education, whichever is less, and the aggregate undergraduate maximum is $12,500. Loan applications are available at Augsburg, some banks, and the Minnesota State Loan Office. Deadline: Applications must be on file with the lender by March 1, 1982 since processing takes up to 12 weeks.
