Introduction

Augsburg College provides a diverse summer curriculum including regular courses, internships, independent studies, and student teaching over two terms. Term I runs from June 3–June 28, Term II runs from July 1–August 9. This brochure presents the Summer School Program and was correct at the time of publication.

General Information

Summer Students may take one course during Term I and two courses during Term II. Unless otherwise indicated, all courses carry a value of one course credit, the equivalent of four semester credits or six quarter credits. Courses fulfilling Augsburg distribution requirements are so noted in the course descriptions.

Course Levels are indicated by the first digit of the three digit course number: 1 or 2, lower division, primarily for freshmen and sophomores; 3 or 4, upper division, primarily for juniors and seniors; and 5, graduate level.

Courses Regularly Taught during the academic year are more fully described in the October AUGSBURG COLLEGE CATALOG. If you need more information about a special summer offering, please contact the Summer School Office.

Independent Study and Internships in addition to those listed may be pursued during the summer in a number of departments. Internships involve work experience related to the academic program in an agency, government, or industry. Consult the Summer School Office for information.

Students Needing Housing may obtain information from the Director of Housing.

Persons Planning to Attend Summer School are advised to preregister as soon as possible, since courses without substantial demand may be dropped.

The College Reserves the Right to Cancel Listed Courses.

Good standing implies that the student has been admitted and not subsequently dropped by that institution.

**Other Persons** wishing to take summer school work should contact the Director of Summer School to ascertain eligibility under special circumstances.

**Acceptance** as a summer student does not imply admission as a regular student of Augsburg College. Those wishing to begin a degree program at the college should apply for admission through the Office of Admission.

Preregistration on April 24 will result in a savings of $30.00 for each course taken. This reduced tuition of $310.00 per course applies only to those courses for which the student preregisters on April 24. A nonrefundable deposit of $50.00 per course is required at this time and is applied to designated course tuition.
