Comment clearly and concisely on the reasons for your request. Focus your comments on the circumstances that support your request. **PLEASE ATTACH ADDITIONAL SHEETS AS NECESSARY. REQUESTS WILL NOT BE REVIEWED UNLESS ALL INFORMATION IS COMPLETE AND LEGIBLE.**

If this is a request for a tuition refund or late fees refund, state clearly and concisely the term, course work involved, department, class number, and class title (as listed in the catalog), and the action you are asking for.

If your petition involves dropping a course or withdrawal from college, you must complete the required paper work with the Registrar's office. If you have not cancelled or withdrawn from the courses in question and it is beyond the published deadlines to do so, you will also need to petition the Committee on Student Standing for an exception to academic policy. Include the information from your financial petition. Petition forms are available at the Registrar's office or on-line at <http://www.augsburg.edu/enroll/registrar/index.html>.

If the request is due to medical circumstances, we require verification of the medical problem, including pertinent dates, on your doctor's letterhead and with his or her signature. **DO NOT HAVE YOUR DOCTOR SIGN THIS FORM.** If you were disabled, i.e., in the hospital, etc., this document should include those dates.
