Cost and Course Information

GoArmyEd guidelines:
Valid cost verification will include one or more of the following: an itemized receipt or screenshot from an online account with the school, a current invoice from the school, or a statement of tuition and fees specific to your enrollment or account with the school. Tuition and fees must be listed separately. The course start date and number of credit hours is also required for each request.

You can access your Augsburg College Student Account through Records & Registration at http://inside.augsburg.edu
Submit Your Tuition Assistance Authorization

Soldiers receive an email with instructions when their TA request is approved or rejected.

If rejected, the soldier will need to fix the error and then change the TA request status back to “Pending” to be reviewed again.

If approved, Soldiers are required to provide TA Authorization to School’s Primary POC for each approved course. Hardcopy or email is acceptable.
