North Hennepin Community College
Approved Courses for Biology major

For students planning to transfer to Augsburg University and major in Biology, the following major equivalencies are provided. This guide is a supplement to Augsburg's general transfer guide: www.augsburg.edu/registrar/transfercredit/.

The Biology major at Augsburg is available as a Bachelor of Arts or a Bachelor of Science. The Bachelor of Science in Biopsychology is also available, as is the Bachelor of Arts in Life Sciences for students who are interested in teaching licensure. Courses are available in the traditional undergraduate program.

Courses must be taken within the last 10 years with a grade of C- or better to apply to a biology major.

One of:
- PHYS1201 Principles of Physics I
- PHYS1601 General Physics I

One of:
- PHY107 College Physics I
- PHY121 General Physics I

One of:
- PHYS1202 Principles of Physics II
- PHYS1602 General Physics II

One of:
- PHY108 College Physics II
- PHY122 General Physics II

One of:
- MATH1090 STATWAY Statistics II
- MATH1130 Elementary Statistics
- MATH2010 Probability and Statistics
- MATH1170 Pre-Calculus
- MATH1180 College Algebra & Pre-Calculus
- MATH1221 Calculus I

- MATH1221 Calculus I
- MATH1222 Calculus II

- COMM1010 Fundamentals of Public Speaking

- PSYC1160 Introduction to Psychology

*Students must earn a 3.0 or better in both BIOL2111 and BIOL2112 to earn an equivalent of BIO473 to be applied to the major.

Advising Notes:
- Students who want to pursue licensure to teach Life Sciences should discuss requirements with their Biology Department faculty advisor.
- Organic Chemistry is not required for the BA degree, though many students do complete the sequence for admission into pre-health science professional programs.
- Students should complete the entire Physics sequence at one school to ensure all topics are covered.
- In addition to completing a major, students need to complete the Core Curriculum and earn at least 128 credits. Residency policy requires that students complete at least 32 credits at Augsburg, with at least 24 of the last 32 credits in residence.
- Major and minor checklists can be found at www.augsburg.edu/registrar/graduation. More information about academic programs and policy can be found at www.augsburg.edu/catalog.
