The mission of the Augsburg Education Department is to develop knowledgeable, responsive teachers committed to educating all learners in a diverse and changing world.

Program Themes: Responsive, knowledgeable teachers understand the dynamic interaction among relationships, reflection and inquiry, diversity and equity, and leadership. These four interrelated program themes provide lenses through which we filter our practice.

*Available majors and licensure options*

Bachelor’s degree in Elementary Education (K-6)
Bachelor’s degree in Special Education: Academic Behavioral Strategist
Bachelor’s degree in English as a Second Language
Licensure in Secondary Education (consult department website for current list of license options)
