Transfer Policies and Credit Information

Augsburg accepts transfer courses from regionally accredited institutions which are at the college level, relevant to a liberal arts curriculum and graded C or better. Augsburg does not grant credit for developmental courses, technical/vocational courses, courses with grades below C, proficiency/exam credit issued by other institutions, or Continuing Education Units. Augsburg operates on a course credit system, rather than semester or quarter hours. One Augsburg course credit is equivalent to four semester hours. A maximum of 64 semester hours (16 Augsburg course credits) may be transferred from 2-year institutions. Courses taken beyond the credit limit can, however, be used to meet liberal arts and major requirements.
