Transfer Policies and Credit Information

College credit is granted for liberal arts courses completed at regionally accredited institutions with a grade of 2.0/C or better. Augsburg does not grant transfer credit for developmental courses, vocational-technical courses, or courses with grades below 2.0/C. Augsburg operates on a course credit system, rather than semester or quarter hours. One Augsburg course credit is equivalent to four semester hours. A maximum of 64 semester hours (16 Augsburg course credits) may be transferred from 2-year institutions. Courses taken beyond the credit limit can, however, be used to meet liberal arts and major requirements.

Minnesota Transfer Curriculum (MnTC)

Students who have completed their Associate of Arts degree with the MnTC and a cumulative grade point average of 2.5 or higher will receive the following benefits upon acceptance to the Augsburg:

- Junior Status
- Waiver of Liberal Arts Foundation requirements
- Waiver of the following Graduation-level Skill requirements: Critical Thinking, Speaking, and one course in Writing

Students are then responsible for:

- Meeting the requirements of an Augsburg major
- Satisfying minimum credit, residency, and G.P.A. requirements for graduation
- Meeting all general education requirements not completed or waived with previous transfer coursework

Note: the A.A. degree and MnTC must be completed prior to enrollment at Augsburg.
