Welcome to Augsburg University Department of Residence Life

Welcome Augsburg Residents!

On behalf of the Augsburg University Department of Residence Life, I would like to welcome you to Augsburg University.

Augsburg University provides many resources to help you adjust and excel in University life. As a staff, we aim to assist you with your transition into the University and make the residence halls your home away from home. The transition of living in a residence hall carries with it the rewards and responsibilities of community membership. A member of a residence hall community must balance individual needs and preferences with those of the other members of the community. Living in a community governed by respect, consideration, and inclusion comes with many rewards. Among them are opportunities to form supportive and meaningful relationships, opportunities to learn from the perspectives and experiences of many different people, and the chance to experience the satisfaction of working with other people towards a common goal.

Our hope is that you take advantage of participating in Residence Life activities and in the governance of our halls. Throughout the year the residence life staff works together to present various programs such as: academic skills, sexual decision-making, alcohol awareness, diversity and inclusion, politics, etc. or social activities such as: welcoming activities, dances, movie nights, etc. These are just a few of the many activities planned. You will also be involved in floor meetings making decisions (community agreements), having open discussions, and resolving problems.

We look forward to meeting you. Please contact us if you have any questions or check out our website at https://www.augsburg.edu/residencelife/. Find us on Facebook at Augsburg University Department of Residence Life and follow us on Instagram at augsburgresidence.

Sincerely,
Amanda Erdman

**Community Conduct and Discipline Procedures**

**Statement of Principles**
Augsburg University is committed to the overall educational and personal development of its students and views the unique experience of living in a residence hall as contributing greatly to such development. To facilitate this process effectively, it is important to maintain a safe, healthy, and respectful residence hall environment.
In order to perform its educational function, Augsburg University requires mutual cooperation of its members, both in and out of the classroom. Therefore, the residence hall community has an established set of community standards of behavior that are consistent with the educational mission of Augsburg University. Included is the regulation of the conduct and behavior of Augsburg University community members whose actions may impede, obstruct, or threaten the maintenance of order and/or the achievement of these educational goals.

In an effort to provide our residents with safe, comfortable and just communities, we encourage debate and discourse in the spirit of understanding and promote this freedom with responsibility. This understanding and responsibility includes respecting and being sensitive to the rights of others while not condoning messages or actions that promote hatred, intolerance or violence. Incidents of bias – acts of bigotry, harassment or intimidation directed at a member or group of the Augsburg community based on that individual’s or group’s actual or perceived national origin, ethnicity, race, age, religion, gender, sexual orientation, gender identity, gender expression, disability, veteran status, color, creed, marital status, or any combination of these or related factors are not acceptable and will be addressed with an educational protocol that helps those who offend others to better understand the impact of their actions on the larger community in which they live.

Augsburg University reserves the right to review all alleged violations of the Student Guide http://www.augsburg.edu/studentguide/ and/or the Department of Residence Life Guidelines.

While it is the goal of the discipline process to educate students about the purpose and importance of abiding by these policies, Augsburg University will also issue sanctions or educational agreements by professional staff as appropriate and necessary to ensure continued and/or future adherence. These possible sanction(s) include, but are not limited to, oral warning, written warning, probationary status, restriction of privileges, restitution, community service, administrative referral, and reassignment or expulsion from the residence halls. In addition, the University reserves the right to remove a student from the residence halls pending the outcome of disciplinary action, or to transfer the student to another residence hall at any time when, in the judgment of an authorized representative of the Department of Residence Life, if the student has engaged in or threatened acts of misconduct such that the individual’s continued presence would endanger public order or property, threaten the personal safety or security of others (by acts of physical or mental harassment or other means) or be sufficiently disruptive as to adversely affect the ability of others to pursue their educational goals. When a contract is terminated due to discipline issue(s) no refund of any housing charges that are billed or scheduled to be billed will be made.

**Student Responsibilities**

It is the responsibility of each resident to become familiar with all Augsburg University and Department of Residence Life policies, administrative procedures, regulations, and community standards. The University will make every effort to make certain all information is available and easily accessible to students.

In general, each resident should:

- Respect the rights of others
- Respect the property of individuals, groups, and Augsburg University.
- Observe all Augsburg University (see the Student Guide for Augsburg community) and Department of Residence Life community standards, policies, procedures, and regulations. As well as the laws of the city, state, and federal governments

- Refrain from activities that interfere with the regular operation of Augsburg University
- Present identification upon the request of an authorized Augsburg University official
- Ensure that guests behave in a manner consistent with and in accordance with the Augsburg University and Department of Residence Life guidelines

It is the responsibility of each resident to understand these rules and regulations:

- It is the student’s responsibility to provide any necessary supporting documentation or witnesses on the individual’s behalf.
- It is the responsibility of each resident to keep appointments. If the student does not attend a scheduled appointment, the appointment may proceed as scheduled with a review of the case and the issuance of educational agreements or sanctions as necessary and appropriate. If there are emergency circumstances beyond the control of the student, permission to postpone an appointment may be allowed.
- It is the responsibility of each resident to comply with University officials by surrendering, when asked by Augsburg University staff members and/or law enforcement officials (e.g. Minneapolis Police Department), any contraband materials and/or items.

**Student Rights**
This discipline process is an established procedure that is made known to students.
Students have the right to:

- Notification of rules and regulations
- Right to a timely process
- Right to a response
- Right of confidentiality (consistent with law)

**Disciplinary Process**
As all students are expected to respect and uphold the policies of Augsburg University, we follow the guidelines set in the Student Guide. For the Augsburg University disciplinary process please go to http://www.augsburg.edu/studentguide/.

**Community Standards & Policies**
The residence hall community has an established set of community standards and policies for behavior that is consistent with the educational mission of Augsburg University. The information below outlines these community standards, which are above and beyond those outlined in the Augsburg Student Guide.

**Academic Dismissals**
The following steps must be followed by students who are dismissed due to academics:

- Must be properly checked out of the individual’s residence hall within 24 hours. This must be arranged with the Residence Hall Director.
- Students will be charged room and board for every day preceding proper checkout. Students will be responsible for a $450 cancellation fee and loss of deposit.
- Appeals to this policy must be made to the Student Standing Committee within six months of dismissal. Contact the Enrollment Center for more information on the petition process. If you have any further questions, please contact the Residential Business Manager at 612.330.1526.

**Administrative Residency Modifications**

**Administrative Move**
Resident students will be required to move to another room or hall within the residence hall system. This action means that the individual is not being successful living in the current residence hall environment and that another space will enable the student to have a fresh start. This sanction is a last step to measure before suspending the student from the residence hall completely.
**Residence Hall Probation**

Residence Hall Probation is a formal notice to the student that the individual’s behavior is unacceptable in the residence halls and continued misconduct could result in further disciplinary action. Residence Hall Probation is for a specified period of time which normally will not include less than one semester or its equivalent up until graduation. During the probationary period, the student must demonstrate that the individual is willing and able to act in accordance with acceptable standards of residence hall life. The student may be required to resign any residence hall office or committee appointment, or may be subject to restricted participation in Residence Life programs.

**Summary Eviction from Residence Hall**

The student will be required to vacate the individual’s residence hall room for a given time with the understanding that the student may move back in at the conclusion of that period. The student may be required to surrender the individual’s key for the time of the suspension of residency. The student is not permitted to enter any residence hall during the suspension.

**Termination of Residence Life Contract**

Serious disruption of the residence hall community can lead to the removal of the student from the residence hall. Termination of the Residence Life contract will result in the immediate removal of the student from the halls. In addition, this action could affect a student’s future Residence Life and Dining contract status with Residence Life. A signed contract for the future terms could be rescinded or a refusal to accept any future contract for a designated time period could be imposed.

**Return to Residence Hall after Hospitalization**

Augsburg University requires a safety evaluation with the Director of Residence Life or designee with any student prior to returning to a University residence hall following a discharge from hospitalization. This evaluation must take place upon discharge or within one business day following discharge if it occurs after hours or on a weekend during a contract period.

### Residence Life Policies

**Alcohol**

Please also see Augsburg Student Guide for general alcohol policy and guidelines. Policies that are specific to residential students and their guests are the following:

- Under Minnesota State Law, persons under the age of 21 are prohibited from possessing and consuming any alcoholic beverages.
- It is a violation of Augsburg policy to give or sell alcoholic beverages to anyone who is under the age of 21 years.
- Consumption of alcohol is prohibited in public areas (lounges, kitchens, bathrooms, balconies, or hallways).
- Public intoxication by an individual, whether of legal drinking age or not, will be subject to disciplinary action.
- Department of Residence Life prohibits kegs, beer pong tables, beer bongs, and other similar beverage containers commonly used to serve multiple individuals. Since residential units with all residents under 21 are alcohol free; alcohol bottles, cans, bongs or other paraphernalia, whether as decorations or otherwise, are not allowed in the unit.
- Advertising alcoholic beverages and tobacco products is prohibited. The sponsoring of University events or promotions by alcohol or tobacco companies is prohibited.
- In accordance with the Guest Policy, each resident is responsible for and may be held accountable for the actions of his or her guest(s), whether students or non-students.
- Residents of Mortensen Hall, Anderson Hall, and Luther Hall who have reached legal age have the right to serve alcohol to guests of legal age in their own residences. The allowable amount of alcohol to be served...
is limited to 12 oz. of beer, 5 oz. of wine/champagne/sherry or 1.5 oz. of distilled liquor per person of legal age, per hour of their use of alcohol (not to exceed a total of 3 drinks).

- Individuals under the age of 21 are prohibited to be in the presence of alcohol. The only exception to this clause being that if that minor is in the presence of alcohol being consumed, that minor must be a resident of that space, and another resident of that space who is of legal drinking age must also be present. Of course the person consuming alcohol must be at least 21 years of age.
- If a resident is hosting a minor who is consuming alcohol, then the hosting resident of that space is also responsible for a violation of the alcohol policy.
- No alcohol, drugs, or controlled substances (possession or consumption) are allowed in either the Oren Gateway Center or Urness Hall.
- No Oren Gateway resident or their guest(s) may be under the influence of alcohol or any illegal substances while present in Oren Gateway.

Residents are obligated and expected to obey all state and federal laws, and all aforementioned Augsburg University Residence Life policies relating to the purchase, provision, possession, and use of alcoholic beverages. Additional policies regarding alcohol, drugs, and controlled substances are stated in the Augsburg Student Guide and are subject to change.

**Assistance Animals: Emotional Support Animals**

Per the Fair Housing Act, Augsburg University provides reasonable accommodations for assistance animals herein referred to as Emotional Support Animals (ESAs) in the residence halls. A reasonable accommodation is:

- the person has a disability;
- the animal is necessary to afford the person with a disability an equal opportunity to use and enjoy the residence halls; and
- there is an identifiable relationship or nexus between the disability and the assistance the animal provides.

The University will not permit ESAs if they would pose a direct threat to the health and safety of others; would cause substantial physical damage to the property of others; would pose an undue financial and administrative burden; or would fundamentally alter the nature of the provider’s operations. Therefore, for example, if a roommate has asthma or allergies or fear of the animal, it is not reasonable for the animal to live in the unit. Documentation of need should directed to the CLASS office http://www.augsburg.edu/class/.

Approved ESAs must have all required vaccinations to maintain the animal’s health and prevent contagious diseases. Documentation of vaccinations is due at time of approval.

The resident is responsible for disposing of any waste from the ESA.

**Barbecue Grills**

- Students must receive authorization from the DPS or designee a minimum of 24 hours prior to using a grill.
- Grills must be set up on level ground at least 6 feet from sidewalks and 25 feet from buildings, structures and vehicles.
- Grills cannot be set up under trees or overhangs.
- Grills must be located so smoke does not enter nearby buildings.
- Charcoal must be completely extinguished and cold to the center of the charcoal before disposal.
- Grills must be used for cooking in the manner intended by the manufacturer and may not be used to burn trash, papers, wood, etc.
- Storing flammable liquids or gases is not permitted anywhere in the residence halls.
- Charcoal may only be kept in storage areas identified by a professional staff member.

**Bicycles**
Motorcycles/mopeds and bicycles may park only in the designated areas as shown on Map. Those parked in unauthorized areas may be removed without notice. The Map can be found at: http://www.augsburg.edu/wp-content/uploads/2012/11/bike-motorcycle.pdf

- There is a limited number of outdoor bicycle racks for residence hall bicycle storage.
- Bicycles left in hallways or stairwells will be confiscated and turned over to DPS.
- Any bicycles found on bicycle racks after Commencement will be removed (the lock will be cut if necessary).

**Break Periods**
Residence Halls are scheduled to open and close on specific dates; early arrivals and late departures are generally not allowed. Students are encouraged to make arrangements to move in or out by dates published by the Department of Residence Life. When exceptions are made, students may be charged additional fees based on an hourly, daily, or weekly rate. During Winter Break and Spring Break, Urness Hall is closed.

**Candidate Access Policy**
Minnesota Statute 211B.20 states that “It is unlawful for a person, either directly or indirectly, to deny access to...[a] dormitory...to a candidate who has filed for election to public office or to campaign workers accompanied by the candidate, if the candidate and workers seeking admittance to the facility do so solely for the purpose of campaigning. A violation of this sanction is a petty misdemeanor.”

The subdivision does not prohibit limiting visits by candidates or workers accompanied by the candidate to a reasonable number of person or reasonable hours; requiring a prior appointment to gain access to the facility, or requiring reasonable and proper identification as a necessary prerequisite to admission to a multiple unit dwelling

Therefore, Candidates who have filed for election may access the Augsburg University residence halls for door-to-door campaigning provided:

- The candidate or campaign workers must make an appointment to meet with the Director of Public Safety to make arrangements. The Director of Public Safety can be contacted during normal business hours, M-F, 8-4:30 p.m.
- The candidate or a campaign worker must contact the Director of Public Safety at least 48 hours in advance of the day they wish to access the hall(s).
- Since Augsburg requires resident students to escort their guests, a Campus Public Safety Officer must accompany the candidate and campaign worker(s), if any. The Director of Public Safety may designate a student to accompany the candidate or campaign worker.
- Augsburg University residence life staff will provide advance notice to students. Students may deny admittance into their personal residential unit. Students will be asked to post a sign on their door asking not to be bothered if they do not want to candidate or campaign worker to knock on their door.
- Candidates must furnish reasonable and proper identification to Public Safety.
- Visits by candidates and workers accompanied by the candidate for the sole purpose of campaigning are limited to 3 or fewer people and between the hours of noon to 9 p.m.

Candidates and/or campaign workers may also meet and greet students in the lobby of the residence hall(s). Candidates and/or campaign workers must call the Residence Life Office at least 48 hours in advance of the day they wish to be on campus. If the candidate and/or campaign workers make arrangements to be at a table, they may not go door-to-door in the residence hall.

**Cinder Blocks**
Cinder blocks may not be used for raising or lofting beds and will be removed at the resident's expense of $25/block. Any cinder blocks found in the residence hall at the end of the year will be billed to the resident responsible. In addition, any damage to furniture or floor due to use of cinder blocks will be billed to the resident(s) responsible. Devices designed for raising beds that will not damage floors or cause unsafe conditions are available for rental through a contract with Bedloft (www.bedloft.com).

**Commercial Business**
Residents may not use their residence hall room, telephone or data lines for profit making purposes.
Commercial businesses are not permitted in the residence halls or on the grounds surrounding them. Some exceptions are possible for programming events where a vendor's presence is a key component. The Residence Hall Director must authorize such events.

**Collective Billing**

All residents of a building or complex are responsible for the condition of the common areas. Common areas include, but are not limited to, hallways, lounges, laundry rooms, kitchens, elevators, stairwells, and entryways. Damages or stolen University property from these areas, for which a responsible individual is not identified, will lead to the floor, unit, building, or complex community being billed for the repairs, replacement, or cleaning. Damage that occurs on floors, in suites, townhouses, flats, floor houses, or units could be billed to the specific residents of those smaller communities.

If a pattern develops in which common areas are being misused, damaged, or left unclean, the space(s) could be closed, fines increased, and/or judicial action taken.

**Controlled Substances**

It is against Augsburg University policy to traffic in, manufacture, dispense, use, possess, sell, or be in the presence of any illegal drug. “Illegal drugs” includes legal prescription drugs that were prescribed to someone other than the individual in possession/using them. Department of Residence Life prohibits possessing drug paraphernalia, whether or not it is being used for consuming drugs.

While the University prefers to handle a student’s use of any controlled substance on an individual counseling and medical-care basis, such treatment does not offer immunity from local, state and federal law. Any information that comes to the attention of the Department of Public Safety concerning the sale, exchange, or transfer of drugs from one individual to another may be communicated to public officials. The University cannot prevent federal, state, or local officials of law enforcement agencies from investigating and prosecuting drug law violators.

The residential portion of Oren Gateway is a place free of alcohol and illegal drugs. Oren Gateway residents and their guests may not use or possess alcohol or illegal drugs while in Oren Gateway. If an Oren Gateway resident or his or her guest choose to use such substances outside of Oren Gateway, the results of that choice may not have a negative impact on the residents or property upon return to Oren Gateway. Residents and their guests may not cause a disruption in Oren Gateway because they used substances elsewhere. Violation of this policy may result in reassignment to other available University housing outside of Oren Gateway.

**Cooking and Appliances**

Kitchens or Kitchenettes are provided in residence halls for cooking. Residents are expected to abide by the following rules regarding cooking:

- Cooking is prohibited in hallways, bathrooms, and lounges.
- Resident may not leave stovetop cooking unattended.
- Appliances with immersion coils, water heaters without thermostatic controls, and exposed coils (e.g. space heaters, toasters) are prohibited in the residence halls unless provided by Department of Residence Life or Department of Facilities Management.

- Appliances with open heating elements (e.g. coffee maker, griddle) are permitted.
- Use only electrical equipment identified with the Underwriters Laboratories (UL) label.

- Freezers and personal full size refrigerators are not allowed in residential units.
- Air conditioning units in resident spaces are prohibited unless approved by Department of Residence Life and installed by Department of Facilities Management.

**Courtesy and Quiet Hours**

DRL  Page 10  9/1/2019
Residents and their guests are expected to observe courtesy hours at all times by acting in a manner that is conducive to studying or sleeping. Courtesy hours are in effect 24 hours a day. Members and guests of a community are expected to observe courtesy hours and may be asked at any time to limit the amount of noise they are creating.

Quiet Hours are 10:00 p.m. – 8:00 a.m. Sunday-Thursday and 12:00 a.m. – 10:00 a.m. Friday and Saturday in all residential communities unless changes are authorized by the Residence Hall Director. On the last day of classes each semester, “Round the clock” quiet hours are implemented until the last day of finals. During 24 Hour quiet hours, amplified sound, loud talking in hallways, and other noise or behavior that might prevent others from sleeping or studying is prohibited.

Custodial Services
Residents are responsible to regularly clean their own assigned living spaces. Custodial services staff cleans all public and/or common areas in residence halls. Extra fees may be charged for cleaning in neglected private living areas (as determined by Department of Residence Life). Elevators
Tampering with the elevators can create life-threatening situations. Students who ride the tops of elevators or tamper with their functioning or use will be subject to severe disciplinary action.

Fire Safety
For Augsburg University policy on open flames and policy violations please see http://www.augsburg.edu/studentguide/. Tampering with fire extinguishers, sprinklers, fire and emergency doors and other fire safety equipment, or falsely reporting a fire verbally or by pulling the fire alarm is a threat to safety and will result in an immediate discipline referral. Objects may not be 18 inches or closer to the ceiling or to any...
fire safety device. Failure to follow evacuation procedures during an alarm will result in immediate discipline referral.

Storing flammable liquids or gases is not permitted in the residence halls. Use of open flame is prohibited in the residence halls. Religious events needing such accommodations should be directed to the Director of Residence Life. No incense, hookahs, or candles are allowed in residential spaces; presence of this is an immediate discipline referral. No use of machines or chemicals that actively push particles through the air (e.g. dry ice, fog machines, hazers, smoke machines).

Students may not leave personal items in hallways or stairwells. Items not removed by the resident after the first warning will be removed and later addressed by the RHD.

Any student subjected to hazing or having knowledge of anyone else being hazed should immediately report the incident to the student staff member, the RHD in the individual’s respective residence hall. Individuals who participate in acts of hazing are personally accountable.

**Leafleting and Canvassing**

Registered Augsburg students may go door-to-door in the residence hall in which they live to register students to vote in local, state or national elections, and/or to advocate for political candidates who are running for local, state, and national office. A student who does not live in a particular residence hall may go door-to-door if accompanied by a resident of that hall.

The hours for door-to-door are Monday-Friday 6 p.m.-9 p.m. A student will check-in with the Department of Public Safety through Dispatch, completing the check-in form. The student must show their student ID. The Department of Public Safety will confirm their registration and residence. The check-in form will also ask the student to sign that the individual understand that the individual:

- Must escort any guests at all times.
- Is responsible for the actions of any guests.
- Agrees to abide by the hours, and any other procedural rules.

This does not replace the Candidate Access Policy. The policy amendment was adopted by the University on 10/26/04.

**Lockouts and Lost Keys**

Department of Public Safety staff members will not provide entry to a room for anyone. Exceptions may only be made in case of emergency as determined by a full-time staff member.

Residents are responsible for their building and room keys. Residence hall exterior doors are locked at all times. Residents who are locked out may contact the Department of Public Safety, located in the Urness/Mortensen Lobby. A lockout charge of $20 will be billed to the student. Students with electronic access who lose their access FOB need to report the loss to Department of Public Safety. A charge of $35 will be billed to the student for a replacement FOB.

All lost or stolen keys should be reported to Augsburg Department of Public Safety and the Department of Residence Life staff immediately. The lock core will be replaced at the student’s expense. There are no exceptions to this policy. Keys may not be duplicated or loaned. The cost of replacement is listed in the Damage Cost sheet: [http://web.augsburg.edu/reslife/Closing/Res%20Life%20Damage%20Costs%2012-13.pdf](http://web.augsburg.edu/reslife/Closing/Res%20Life%20Damage%20Costs%2012-13.pdf)

Failure to follow the guidelines, receive approval, or complete the mural will result in charges to the student(s) for repainting of the wall.

Public Area Usage
Lounges, meeting rooms, lobbies, hallways, bathrooms, and kitchens in residence halls are areas held "in common" among the residents. They are not open to the general public. Residents may not remove furniture from any common area.

Contact the RHD and follow the guidelines in place for a given community to reserve common areas. It is expected that the area be returned to its original state after use. The sponsoring residents are responsible for any damage and clean up after an event. University and departmental policy on alcohol use and quiet hours must be adhered to in residence hall common areas.

Behavior in common areas should conform to the standards of the community as a whole. Loud, offensive, or lewd behavior is not acceptable. Residents should exercise good judgment and demonstrate consideration of others when using common areas. It is expected that the students monitor their living environment, especially the areas they use as a community. When damages are found in a common area, they are charged to the students living on the floor or in the building, depending upon the situation.

Residency Requirements
To live in on-campus in Augsburg University residential facilities, residents must be an enrolled Augsburg student in a Day program. Any questions related to residency requirements should be directed to the Residential Business Manager, 612.330.1526.

Room Change Requests
Any resident wishing to apply for a room change must first contact the RHD. During the first 15 days of each semester, residents may apply for a room change, but requests will not be processed. Once a student receives another assignment the individual must sign a new housing contract. Students are not able to move until they receive authorization from a professional staff member or designee. Moving prior to this notification may result in disciplinary action.

Residents requesting direct room switches with another resident must not move or take possession of the new room until they have received official authorization from a professional staff member or designee and all residents involved have signed a new housing contract. Each resident involved in a direct switch must come to a professional staff member or designee together to sign new room contracts. Failure to do so may result in improper checkout fee of $100.00.

If a student switches rooms without permission, the individual could lose the right to live on campus, be assessed a fees associated to unauthorized room change, and/or other disciplinary action could be taken.

Room Condition Report
Each resident must review, complete and return their Room Condition Report (RCR) within 10 days of move-in. The resident are financially responsible for any damages that were not on their RCR if they did not report them to the Department of Residence Life. To report those damages, please submit information to residencelife@augsburg.edu. This RCR is to be used to record any existing damage to the student’s room. Any damages noted during room inspections, which were not recorded on the RCR are the resident’s financial responsibility. Residents are responsible for any damages to their assigned room. If a resident changes rooms or leaves the University, the individual must have a staff member inspect the room before it is vacated or express vacate. At the end of the contract period, all residents must abide by Department of Residence Life checkout guidelines.
Appeals to damage assessment may be made only by the resident via email to the Residential Oversight Committee (residencelife@augsburg.edu). Rules and address for appeal submission and timeline are emailed to residents via the resident’s Augsburg email account. Residents who fail to abide by check-out procedures are issued at $100.00 improper checkout fee.

**Room Entry**
The University holds the student’s right to privacy as a high value. The University will abide by the following procedures pursuant to entering or searching University property contracted by students with the understanding that this procedure in no way limits bona fide law enforcement officials from lawful search.

Augsburg University or its agent shall have the right to enter a student’s dwelling unit under the following stipulations and understandings.

- To make necessary repairs or maintenance at any time.
- In emergency circumstances when imminent danger to life, health, safety, or property is reasonably feared or where emergency entrance is permitted by law.
- In circumstances when it is believed that a violation(s) or Residence Life or University policy is taking place.
- The University will make a general check of all rooms during scheduled periods. This will take place in the residence halls and all University-owned dwellings by residence life staff.
- Illegal materials or items in plain view may be addressed with the resident(s) of the room if they are noticed in the course of room maintenance, room inspections, or in response to violation of University or Residence Life policy. Disciplinary action may be taken.

In all cases involving suspected violation of University regulations, rooms will be entered by at least two persons, one of whom will be the University professional staff member. The student, if present, will be asked to open drawers, luggage, closets, etc. If the student chooses not to assist in this manner, authorized University representatives will carry out the search. These belongings will be returned after the disposition of the case by appropriate University or civil authorities when it is lawful to do so. If students believe that their room or other leased property has been unlawfully entered, they may see redress before the Director of Residence Life or the Director of Public Safety.

**Safety**
A student may not allow access for another person unless the individual is the host for that person. Students may not prop residence hall entrance doors open as this jeopardizes the security of the building. Tampering with non-emergency equipment or elevator emergency phone call buttons is prohibited.

Students are not permitted on roofs, ledges, overhangs, balconies accessed through a window, or permitted to climb the exterior of the buildings. Hanging antennas, flags, or other materials from the exterior of buildings is not permitted. Throwing anything out of the windows, off balconies, or off the roof is not permitted. Artificial decorations made of plastic may be used and must be clearly marked as being made from a slow burning or a non-combustible material. Metal trees are also acceptable, with illumination by spot or reflective lights only. Seasonal lighting must be identified by an Underwriters Laboratories label (UL). Any perishable items used for decoration must be properly disposed of in a timely manner. Residents must remove all winter seasonal decorations by January 1st.

No decorations may be placed on or hung from pipes or sprinkler heads.
**Service Animals**
Per Title III of the ADA, Augsburg University accommodates service animals, which are limited to dogs and miniature horses. Students with service dogs are permitted to bring their service dog in all areas of a place of public accommodation. This includes any private residence space assigned to the student. The resident is responsible for disposing of any waste from the service animal.

**Smoke Detectors**
Each room is equipped with a smoke detector. It is not to be disconnected at any time for any reason. It is not to be covered at any time for any reason. Students found tampering with smoke detectors will go through the conduct system. Residents should notify the Department of Public Safety at 612.330.1717 immediately if a smoke detector is not working properly.

**Smoking/Clean Air Policy**
Augsburg University is an educational institution that appreciates and endorses a healthy environment for its students, staff, faculty, guests, and community.

- Smoking (including electronic cigarettes, personal vaporizers, and electronic nicotine delivery systems) is prohibited in all indoor facilities, including residence halls.
- Smoking (including electronic cigarettes, personal vaporizers, and electronic nicotine delivery systems) is permitted only in designated outside areas.
- Materials related to the creation (“making”) of E cigarette liquids are not allowed on campus (including but not lived to vials, syringes, and tubing)

Those who smoke are also responsible for properly disposing of cigarette butts or electronic cigarette waste. The success of this policy will depend on the thoughtfulness, consideration, and cooperation of smokers and non-smokers. Everyone shares the responsibility for adhering to and enforcing the policy. In all cases the right of the non-smoker to protect the individual’s health and comfort will take precedence over a smoker’s desire to smoke.

**Storage**
Storage space is not available in residence halls for University furniture or personal belongings.

**Substance Free Housing**
The residential portion of Oren Gateway is a place free of alcohol and illegal drugs. Oren Gateway residents and their guests may not use or possess alcohol or illegal drugs while in Oren Gateway. If an Oren Gateway resident or his or her guest choose to use such substances outside of Oren Gateway, the results of that choice may not have a negative impact on the residents or property upon return to Oren Gateway. Residents and their guests may not cause a disruption in Oren Gateway because they used substances elsewhere. Violation of this policy may result in reassignment to other available University housing outside of Oren Gateway.

**Trash and Recycling and Composting**
Residents must collect all trash, recyclable, and compost materials in their room or living space (utilizing the bins provided by the University) and take these materials on a regular basis to floor or building trash, recycling, and compost areas. All recycling, trash, and composting bins provided by institution are to be cleaned and left in spaces upon departure in the same or better condition.

No personal trash may be left in bathrooms or common areas of the residence hall. Bodily fluids and biohazards are not permitted in trash, recycling, and compost containers. If concerns are related to proper disposal of trash, recycling, or composting in unit, Residence Life reserves the right to enter the space to address concerns involving Facilities and Custodial team, and/or charge related response to students’ accounts.

**Vomit Clean-up**
Vomit in common areas is the responsibility of the community. Individuals responsible should take proper measures to clean the area. Failure to do so may result in individual or collective billing damage charges.

**Waterbeds and Hot Tubs**

Waterbeds and hot tubs are prohibited in the residence halls.

**Work Request**

When an item in your residential space is not working properly or the conditions of the facilities are poor in nature, residents should submit a work request via [https://www.augsburg.edu/residencelife/work-requests/](https://www.augsburg.edu/residencelife/work-requests/). This request acts as formal permission on the part of the resident for the University to address the facilities’ needs in all capacities. Each request is reviewed by the Department of Facilities Management for quality control. The Department of Facilities Management will assign staff or vendors who will access these residential spaces between 8:00 a.m. - 3:00 p.m. Monday through Friday to address the concerns.
