The Student Agreement

To be read and signed by every member of the community each time a revision is made.

The StepUP Program at Augsburg College strives to help students champion lives of recovery, achieve academic success, and thrive in a community of accountability and support. The Purpose of this Student Agreement is to provide reasonable guidelines by which we agree to abide by while living in the StepUP community, for the health and communal benefit of the community. The culture of StepUP is shaped by our values and actions. We as students and staff participating in the StepUP program hold the following values:

I. We Value Recovery Based on Spirituality and an abstinence-based Model.

The StepUP program is based on an abstinence-based approach to recovery including but not exclusive to the 12-steps and also respects various pathways to recovery. If a student chooses a path other than a 12-step program, it must be a recognized mutual self-help group and the student should discuss it with their counselor.

1. I will remain abstinent from alcohol and other drugs.
2. I will attend at least two recovery meetings each week including a home group or other recovery support meetings with counselor approval.
3. I will develop a relationship with a sponsor who follows an abstinence-based program or a recovery mentor with counselor approval.
4. I will be involved in service opportunities that are offered through StepUP and my recovery meetings.
5. I will pursue activities that foster the development of a spiritual life.

II. We Value Personal Responsibility, Integrity, and Living a Balanced Life.

1. I will adhere to the principles of honesty, open-mindedness and willingness.
2. I will treat myself and others with dignity and respect.
3. I will attend all mandatory StepUP programming which includes Circle meetings every Monday from 4:30-5:30pm, retreats, activities, and flat or apt. meetings.
4. I will attend weekly counseling appointments with the StepUP staff, unless I have been given permission otherwise.
5. I will refrain from attending dance clubs and casinos, and participating in gambling including online gambling, prior to having one year of sobriety and one semester in the StepUP program. Exchange of money between students for gaming or gambling purposes, on or off campus, is prohibited.
6. StepUP exists within the framework of the larger Augsburg College community. I will take responsibility for knowing all college policies in the Student Guidebook [http://web.augsburg.edu/reslife/Guidebook/Guidebook.pdf](http://web.augsburg.edu/reslife/Guidebook/Guidebook.pdf). I will participate in regular cleaning of my personal residence as well as completing my assigned task within my flat or apartment.
7. I will refrain from attending high-risk environments such as strip clubs, bars, places where alcohol and/or illegal drugs are present and where illegal activities are happening.
8. I understand that engaging in physical, intimate, romantic and/or committed relationships with another current StepUP Program student is subject to review for probationary status unless BOTH of us have one year of recovery and have completed at least one semester in the StepUP Program.

III. We Value Educational Success.

1. I will attend and be on time for all classes unless medical conditions make it impossible.
2. I will engage in positive academic efforts toward success.
3. I will complete and turn in all assignments on time as outlined by the instructor.
4. I will attend meetings with Academic Skills and/or CLASS if deemed necessary for my academic success.

IV. We Value Community, Servant Leadership, and the Richness of Diversity.

1. I will not enable others in the StepUP Program to use mood-altering substances. I commit to not assisting, enabling or encouraging another StepUP Program student to use, or to assist by my action or inaction another participant to conceal his or her use. If I learn or suspect that a StepUP Program student has relapsed, I:
   - will immediately contact my Counselor, the StepUP Program Director, another member of StepUP staff or my RA to notify him/her that I have knowledge that a StepUP Program student has relapsed.
   - understand that failure to report a StepUP student who is suspected of using or who is using a mood-altering substance not directly prescribed by a physician will make me subject to sanctions as determined by the StepUP Program Director.
2. I understand that I am prohibited from inviting into the StepUP apartments or flats any individual who has specifically been banned from the residence by the Program or Augsburg College.
3. I understand that I am prohibited from keeping information from the StepUP Staff if I know or suspect that another student has broken any item(s) in the agreement. I am also responsible for writing myself up and speaking to StepUP Staff if I am the one breaking any item on the agreement.
4. I will treat others respectfully and use proper boundaries regardless of how they may differ from me along the continuum of diversity.
5. I will honor the privacy and confidentiality of others unless doing so is in violation of the StepUP agreement, Augsburg College Guidebook, or is not in the best interest of the student.

V. We Value an Alcohol and Other Drug-Free Environment that is Protective of Recovery.
1. I will not use or possess mood-altering substances (either on or off campus) not directly prescribed for me by a physician.
2. I will not use or have in my possession any drug paraphernalia or non-alcoholic beverages (O’Doul’s) that may trigger self or others.
