Resume Buzz Words
Business-Management Information Systems

Advanced Technology
Applications Development
Architecture
Artificial Intelligence
Automated Voice Response
Backbone
Bandwidth
Benchmarking
Broadband
Communications
Computer Aided Software Engineering (CASE)
CD-ROM Technology
Client/Server Architecture
Computer Programming
Computer Science
Cross-Functional Technology Team
Data
Database
Desktop Technology
Digital Networks
E-Business
Electronic Data Interchange
Emerging Technologies
Enterprise Systems
Ethernet
Fiber Optics
Firewall
Frame Relay
Geographic Information System (GIS)
Graphical User Interface (GUI)
Hardware
Imaging Technology
Information Technology
Internet
Legacy Systems Integration
Local Area Network (LAN)
Mainframe
Multimedia Technology
Multiuser Interface
Network Administrator
Network Design
Network Installation
Online
Operating System
Parallel Systems Operations
PC Technology
Project Management

Rapid Application Development
Real Time Data
Remote Systems Access
Research & Development (R&D)
Resource Management
Satellite Communications
Software Configuration
Software Design
Software Development/Engineering
Systems
TCP/IP Protocol
Technical Training
Technology
Telecommunications
Voice & Data Networks
Voice Communications
Web
Wide Area Network (WAN)
Wireless

Other Skills to Include:

Dependability
Adaptability/Flexibility
Cooperation
Stress Tolerance
Integrity
Concern for Others
Leadership
Persistence
Analytical Thinking
Initiative
