INTRODUCTION

Augsburg College is a private, liberal arts college of the Evangelical Lutheran Church in America. It is located in the Cedar-Riverside neighborhood, less than two miles from downtown Minneapolis, Minnesota. The surrounding urban community includes major hospitals, the University of Minnesota, city parks, and diverse residential neighborhoods.

As an institution of higher education, Augsburg College is committed to providing an environment conducive to learning. The safety of the college community is a critical component supporting the college's educational mission. In that no campus can be entirely free of crime, the Augsburg College Department of Public Safety was established to serve the college in fulfilling its' academic mission.

Augsburg College has also established a series of policies and procedures relating to campus security. Such policies are designed to ensure that members of the Augsburg community are fully aware of campus safety considerations and can take action to prevent and to report illegal or inappropriate activities. Augsburg College expressly reserves the right to modify or adopt additional policies or procedures at any time without notice.

PUBLIC SAFETY DEPARTMENT

The Augsburg College Department of Public Safety (DPS) is administered by the Facilities Management Department, Division of Finance & Administration. Operations are directed by the Director of Public Safety. DPS is responsible for the enforcement of federal, state and local laws as well as college policy. Although Augsburg DPS is responsible for campus safety and security programs, all college facilities are under the jurisdiction of the Minneapolis Police, which is ultimately responsible for the safety of all persons within the municipality.

Public safety officers help to provide a safe environment that promotes the learning experience and supports the college's mission. DPS employs six (6) full-time and five (5) part-time non-commissioned, professional public safety officers. Officers are uniformed, unarmed, and have citizens arrest authority. In addition, DPS employs approximately thirty (30) part-time students who serve as dispatchers and patrols. Contract services for special events and additional coverage are made with off-duty police officers or from an approved private security organization. Officers, patrols, dispatchers, and contracted employees meet Minnesota state-required FBI/BCA Criminal History Record Information Standards

DPS is responsible for first response to all emergency situations until assistance is available by Minneapolis police, fire, or medical agencies. DPS maintains a close working relationship with the Minneapolis Police Department, state and federal law enforcement agencies, and all appropriate elements of the criminal justice system.

Public Safety Dispatch is located in the Urness/Mortensen Lobby. Dispatch operates 24-hours daily, every day of the year and can be reached by calling 612-330-1717 (x1717 from campus phones).

Some of the additional support services provided to the campus community by DPS include:

- emergency medical assistance;
- routine security surveillance and safety inspections;

- investigation of reported incidents and suspicious activities;
- escort services within and near the campus;
- preparing reports to appropriate college and civil authorities;
- monitoring security, fire, and building-mechanical alarm systems;
- monitoring building access; secure and unlock buildings according to schedules;
- monitoring the closed circuit television (CCTV) system;
- enforcement of campus parking regulations;
- assisting law enforcement agencies with respect to local, state and federal law;
- maintaining the campus card access system.

CRIME PREVENTION

Augsburg College's crime prevention program is based upon the complimentary principles of eliminating or minimizing criminal opportunities, and encouraging students and employees to take responsibility for their own safety by providing them with information and training. Individuals are urged to act responsibly and to take sensible precautions to protect themselves and their possessions.

Escort Service

Escort service is available 24 hours a day. Escort service is generally provided within 10-15 minutes of a telephone request to x1717. Escort service is available to all staff, faculty, students and guests of the college.

Crime Prevention Presentations

Crime prevention presentations are announced through the 'A-mail', the official campus newsletter. Additional special programs are coordinated with Residence Life and/or student government. Periodic e-mail alert bulletins, advisories, and crime prevention tips are sent campus-wide.

Crime Prevention Materials

The booklet "Campus Emergency Procedures" is distributed to all students, staff, and faculty. Printed crime prevention brochures, posters, and emergency assistance information are available at Public Safety Dispatch or on-line at www.augsburg.edu/dps.

Electronic Alarm Systems

Electronic alarm systems, located in Public Safety Dispatch, monitor a network of security and building-mechanical systems.

Closed Circuit Television

Closed circuit television systems randomly record a network of cameras covering various campus areas.

Facilities Surveys

Public Safety Officers routinely patrol the campus on foot, bicycle, or vehicle. Buildings, parking lots, and grounds are monitored for lighting, door security, and building mechanical systems.

Personal Safety Responsibility

Applying common sense to safety decisions helps ensure personal safety. However, a truly safe campus can only be achieved through knowledge and the cooperation of all students, faculty, staff and guests. Everyone must take responsibility for their own personal safety and the security of their belongings.

Rape Aggression Defense (RAD)

The Department of Public Safety offers the Rape Aggression Defense (RAD) self-defense course to community members several times during the year. Officer Jennifer Kellogg is a certified RAD basic instructor. Information about the RAD course or upcoming course dates can be obtained by calling DPS at x1717, by accessing the Public Safety web page or by emailing Officer Kellogg at kellogg@augsborg.edu.

Card Access

A card access system controls entry to all four main residential buildings. Residents and other authorized persons are issued cards by the Department of Public Safety. Access to residence halls is limited according to cardholder need. Cards that are reported lost or stolen are deactivated and will no longer work on the system. Cardholders must never to loan their card out, allow in tailgaters, nor to prop doors open.

Reporting Crimes and Suspicious Activities

Students, faculty, staff, and guests of the college are encouraged to immediately report emergencies and criminal activities to Augsburg Public Safety Dispatch. Dispatch is located in the Urness/Mortensen lobby and is staffed 24 hours a day. Criminal activities and other emergencies can be reported to Dispatch by calling 612-330-1717 from off-campus or x1717 from campus phones.

The dispatcher will alert the on-duty security officer and call 911 as appropriate. The security officer will respond, assist any victim, and prepare appropriate reports and other documentation for follow-up. The security officer will also assist crime victims in reporting a crime to the Minneapolis Police. NOTE: while Security will alert police to a crime in progress, only the victim can file an official report with the police department.

In addition to the Department of Public Safety, crimes of sexual violence may also be reported directly to the following college-designated individuals:

- Ann Garvey, Vice President for Student Affairs (612) 330-1168
- Sandra Hokanson, Dir of Human Resources (612) 330-1058
- Barb Edwards, Dean of the College (612) 330-1024

NOTE: A victim of a sexual assault can confidentially report the incident to a member of the clergy or a licensed counselor.

Crime Alerts

Members of the campus community will be advised of security issues and campus crimes on a timely basis. The decision to release security notices to the campus community is determined by the Director of Safety & Security (or designee) in compliance with the Clery Act ([Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act](#)). Such notices will be distributed either selectively or throughout the entire campus as circumstances warrant. As appropriate, special crime alerts may be distributed through the campus e-mail system, by posters, signage, or letter.

Annual Security Report

The comprehensive Annual Security Report is published and available on-line at www.Augsburg.edu/DPS. Printed copies are available at Public Safety Dispatch or upon request from the Director of Public Safety (x1717).

The Annual Security Report contains security policies and procedures, and crime-related statistical information. It is compiled, published, and distributed in compliance with the Clery Act (see S. 1150, H.R. 102-630, 101st Congress, 2nd Session, June 29, 1992).

The Augsburg Department of Public Safety receives statistical reports from the Minneapolis Police Department for crimes in or near the campus boundaries. Minneapolis Police statistics combined with Augsburg Public Safety and Augsburg Student Affairs statistics provides the total record of reported crimes in or near the campus.

Crime Report Statistics: January 2004 to December 2006

The following table is the statistical report of crimes occurring on the Augsburg College campus (as reported to Security and/or the police). The table reflects crimes reported for the three calendar years of 2003, 2004, and 2005. The categories of crime are those required by the Clery Act. Statistical information under the heading of "Residence Halls" is also included in the total under the heading of "On-Campus". The statistics indicate the number of crimes reported, not necessarily confirmed cases and/or convictions. NOTE: Augsburg does not have any off-campus student organizations, which would be listed under the category of "Non-Campus Property".

Except for the residence halls, most campus facilities are accessible during normal or posted hours.

Exterior doors to campus buildings are locked between approximately 10:00 PM and 7:00 AM daily. Persons requesting access to a building after hours will be required to present an Augsburg identification card, and state their reason for admission prior to access being granted. All special events use of any facility after hours must be scheduled through the Event Services office, 612-330-1104.

Access to Residential Facilities

Augsburg College Residence Life houses approximately 1000 students in various style accommodations in four major residence halls and two special-use duplexes. Live-in Resident Assistants and hall coordinators serve the residential community. At least one professional Residence Life staff member is on-call after hours. Procedures for a student being locked out of their room have been established through the Residence Life office. No door-to-door soliciting or unapproved distribution of materials is allowed. Complete information and policies are published in the Residence Hall Handbook and Contract.

Each resident apartment hallway door has a keyed lock; the effectiveness of this system is dependent upon the residents keeping doors locked. The exterior doors of all residence halls are controlled by a card access system. The card access system consists of an electronic card reader and individual access cards issued to each resident. The college is committed to maintaining an academic environment free from any form of sexual coercion or violence. Off-campus

Rape and Sexual Assault Center (612) 825-4357

The decision to either the legal and/or college disciplinary systems is yours.

You may choose to meet with a counselor (on or off-campus), the Campus pastor, or professionals from one of the sexual assault services. These professionals can assist you in the therapy/emotional healing processes, and/or consult with you regarding action you may want to take.

Official Campus Action

Investigating Offices: Every complaint of sexual violence will be investigated. In addition to the Department of Public Safety, you may make your report to one of the following individuals:

- Vice President for Student Affairs, Ann Garvey x1168
- Dir of Human Resources, Cynthia Greenwood x1023

Campus Sex Crimes Prevention Act

The federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, went into effect October 28, 2002. The law requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, volunteers services or is a student.

The Minnesota Bureau of Criminal Apprehension administers a predatory offender registration and tracking program. Any questions regarding the program may be directed to the Criminal As-

essment Program at 888-234-1248 or 651-603-6748. Information regarding this program can be found at the following website:

<http://www.dps.state.mn.us/bca/invest/documents/page-07.html>

In addition, information regarding registered sex offenders may be obtained through the Minnesota Department of Corrections at 651-642-0200. An offender locator, for offenders that have the highest risk for re-offense, can be accessed from the Minnesota Department of Corrections website:
