

## Faculty Committee Openings Spring 2019

The members of the following faculty committees are to be nominated by the Faculty Senate, and elected by the full faculty. Please contact Jacob Walter if you are interested in being nominated for any open committee position, or interested in nominating another faculty member. If you do nominate another faculty member, please reach out to them to ensure that they wish to be nominated, before contacting Jacob. If you have additional questions contact Milda Hedblom or Jacob Walter.

The full slate of nominees will be presented at the April 17 Faculty Meeting. A voice vote will be held for uncontested openings, and openings requiring ratification. For any contested openings, an online ballot will be circulated immediately following the April 17 meeting, closing at noon on April 24, with the winners of those elections announced at the April 25 Faculty Meeting.

For the purposes of this document, PS refers to a faculty member in the Professional Studies division, HFA refers to a faculty member in the Humanities and Fine Arts division, and NSS refers to a faculty member in the Natural and Social Sciences division.
