MAP AT A GLANCE

Bustling Times Square

Prof. Joe Underhill teaches in the International Relations and Environmental Studies programs, often leading trips abroad and on the Mississippi River. He spent 4 years in Brooklyn's Cobble Hill neighborhood as a young boy and has been back to New York City almost every year since. He travels there with Augsburg students each spring as part of the Model United Nations program, and will be bringing his 18th group to the city in March. While in "The City" he enjoys the architecture, the hustle and bustle of subways and street scene, sampling some of the more out of the way places to eat, hearing good music, and visiting the art museums and great walking spots from the High Line to Harlem!

Day 1 - Home to New York City

Today we fly to New York City, where we'll be transported to our hotel, the Sheraton Manhattan at Times Square. The location of our hotel is perfect for seeing the city over the next few days! Take in the exciting Big Apple around & below you from 850 feet above street level on the upper deck of Top of the Rock at Rockefeller Center - what a view! While at Rockefeller Center we'll visit the NBC Experience Store, an innovative retail attraction with high-tech interactive features and behind-the-scenes studio tours. Tonight we're guests at the popular, feel-good Broadway musical, *Mamma Mia!*

Hotel: Manhattan at Times Square (4 Nights)

Days 2 & 3 - New York City

These two delightful days will be filled with great sights & experiences as we explore NYC. Our local expert guide will lead us on a journey we'll long remember, including ferrying out to the Statue of Liberty, symbolizing American freedom to all. Visit Ellis Island and discover, by exhibits, the 12 million people who came here looking for a better life. Depending on traffic, our guide will possibly take us to Wall Street, World Trade Site, Chinatown, the Garment District, Empire State Building, the Lincoln Building, the Brooklyn Bridge, Greenwich Village, St. John the Divine Cathedral, a walk through Central Park, a visit to Harlem, spectacular 5th Avenue, Grand Central Station, Ground Zero, and much more! On the evening of day 3, we're guests at the Augsburg Alumni Reception held at the Scandinavia House. In attendance will be the director of the Augsburg Choir, Dr. Peter Hendrickson, who is from the class of '76!

Day 4 - New York City

This morning is at leisure. You may choose to walk to a nearby church for Sunday service or continue to explore the city around you. This afternoon we'll watch The Augsburg Choir's performance, under the direction of Dr. Hendrickson at the beautiful & historical Carnegie Hall, which first opened in 1891. After their wonderful performance, the remainder of the evening is at our leisure.

Day 5 - New York City to Home

We'll catch our flight for home today with our "Auggie" friends, remembering the adventure shared, history learned, and fun experiences had by Augsburg College in New York City!

A Note about Meals:

Meals are not included as we will be on the go in NYC, making it hard to plan group meals. Also, we wanted to give you the opportunity to choose the type of local food that you will enjoy the most and in the price range that you choose.

"This tour was a wonderful way to see New York. The location of our hotel was in the heart of the city. That allowed us to walk to Times Square, Central Park, Rockefeller Center, etc." Terry & Lois Ohlhauser, Sauk Rapids
