Additional Campus Tutoring Support:

Math: Please check your course syllabus or the math bulletin board outside SCI 108 for SI times and tutoring assistance. Math tutoring is available through the Math Department. Please direct questions to Professor Rich Flint.

Writing Lab: Writing support is provided by the English Dept. and is located on the bottom floor of Lindell Library. Please stop by or visit www.augsburg.edu/writinglab/ for details.

Drop-In: Please refer to our drop-in schedules for other course offerings and locations.

If you are interested in requesting a tutor for any course that is not listed, contact Tutoring Services at tutor@augsborg.edu. Please list your name, contact information, course name and number, and professor when making your request. We will respond via email once a tutor has been identified. Please note: tutoring requests typically take two to seven business days to complete.
