Mindy Greiling served in the Minnesota House of Representatives for 20 years where she initiated the first state bipartisan mental health caucus after her son was diagnosed with schizophrenia. She served on the state and national NAMI boards and is the immediate past president of NAMI Ramsey County.

Senator John Marty has been a state senator since 1987. He is a strong advocate for government ethics, environmental protection, and affordable health care for everyone. Throughout his career, John has been a strong advocate for public investments in people -- in health, education and employment -- to enable all people to reach their full potential.

Pastor Aaron Fuller serves as the Pastor at Our Father's Lutheran Church in Rockford, MN and as a Navy Reserve Chaplain.

## SCRIPTURE

Psalms 121

I lift up my eyes to the hills— from where will my help come?  
My help comes from the Lord, who made heaven and earth.  
He will not let your foot be moved; he who keeps you will not slumber.  
He who keeps Israel will neither slumber nor sleep.  
The Lord is your keeper; the Lord is your shade at your right hand.  
The sun shall not strike you by day, nor the moon by night.  
The Lord will keep you from all evil; he will keep your life.  
The Lord will keep your going out and your coming in from this time on and forevermore.

Matthew 6:34

“So do not worry about tomorrow, for tomorrow will bring worries of its own.  
Today’s trouble is enough for today.”

## Hearing. Helping. Healing our Neighbors with Mental Health Challenges

Augsburg Campus Ministry invites you to the Fosdick Lecture on Preaching in Hoversten Chapel on March 7th at 10:00 am. This year’s topic is “Hearing. Helping. Healing our Neighbors with Mental Health Challenges: Addressing Mental Health Concerns in Religious Communities.” Mindy Greiling and Senator John Marty will share their personal and legislative experience in addressing mental health concerns. One in three people have a family member struggling with mental health, yet we as churches, as a community, as a society have much to improve on how we relate to them.
