Narrative text

On Wednesday September 21st while patrolling Lindell library, I was approached by a staff member identified as Lauren Radomski who informed me that her vehicles catalytic converter had been stolen.

I asked when it occurred and she stated that it was Monday September she stated that she parked her vehicle on Butler place near the entrance to lot L. Lauren stated that she parked at 7:45 hours and returned at 16:15 hours and discovered the vehicles catalytic converter stolen. Vehicle is a blue Toyota Prius (MN) JBK-854.

I told her that Public safety received a report of individuals near lot L looking a toyota Prius but when we arrived and check the area the suspects were gone on arrival. See report #561168.

I then advised Lauren to contact Minneapolis police non emergency number to file a report for insurance purposes.
