Description

Narrative text

On 1/19/2023 at approximately 0750 I Officer HARTKOPF (127) and Officer JOHNSON (146) were finishing a call when driving into Lot B and noticed a vehicle with out a front drivers window. Upon inspection we found that the vehicle appeared to have been gone through. I recognized the vehicle as a student who I've had previous interactions with. I was able to contact Residence Life who was able to connect us. TODD, AMANDA met us to check on her vehicle and TODD verified that the window was only rolled down and only 50 cents was taken out of the car.
