**Narrative text**

On 1/13/2023 I Officer HARTKOPF (127) and Officer BENGTRY (113) were dispatched to take a report of a motor vehicle that was damaged.

Myself and 113 arrived and met with the owner of the motor vehicle KAPANKE, MADALYN. KAPANKE explained after watching the broom ball game she got to her vehicle and found the passenger rear window smashed in. KAPANKE also found the steering column ripped apart. When speaking with KAPANKE it did not appear that anything was taken from the vehicle. The only damage to the vehicle besides state previously was that due to the steering column being apart the wiper blade did not work. I informed KAPANKE that a string of vehicles had been stolen during the course of the night, and to file with MPD non-emergency in the morning.
