Narrative text

I (135) was dispatched to lot "L" to take a report of damage to a motor vehicle. I arrived and spoke with the victim/owner, who stated she parked her vehicle in the parking lot at 08:00, and when she returned at 16:00 she discovered by the load sound coming from the vehicle that the catalytic converter had been removed. She also noticed a wire hanging from underneath the vehicle.

There was no suspect information. The victim noted that this is the second time this has happened to her vehicle.
