Narrative text

The victim approached me in lot "D" and stated that his vehicle had been broken into and rifled through. The victim stated that he parked his vehicle on Saturday around 10:15, and when he check it tonight at 21:30 he discovered it had been broken into. The victim stated nothing of value seemed to have been taken, but he noted that the vehicle had been rifled. He asked if his vehicle could be moved to the Luther underground parking for safe keeping overnight because the rear window was smashed out. I agreed that he could park his vehicle in the underground, but when he got into the vehicle to move it he discovered that the steering column was peeled, and the ignition was broken in an attempt to steal the vehicle. There was no suspect(s) info.
