Narrative text

At approximately 2057 I, 140, was flagged down. MOHAMED, SIMAN informed me that her car had been broken into on 21st and 6th street. At this time, MOHAMED and her friends had called MPD and were waiting for an officer. Once I arrived, they called again and were not provided an ETA.

The car that was broken into was a gray Kia (#HDS504). MOHAMED stated that she parked her vehicle there at approximately 1815 earlier in the afternoon and returned at approximately 2055 and found that her car was broken into.

She stated that there was nothing of value in the car that could be stolen. But the individuals who broke into the vehicle did attempt to hotwire it but failed (see photos), leaving the vehicle undrivable. The individual(s) broke the rear right passenger window and gained access to the vehicle that way.

At 2105, I started a vehicle patrol and couldn't find a suspect or any suspicious activity.

Call cleared at 2115.
