Checklist for Namibian Visa/Study Permit

All of these forms and paperwork are **required** by the Namibian government, and must be completed and returned to our office by **November 1** (for Spring program) or **June 1** (for Fall program) to ensure documentation to enter Namibia. Please contact our office if you have questions about any of these documents.

Students who do not complete their visa application by November 1/ June 1, may be required to arrange their own documentation.

_____ [Application for Visa form](#) ([Example of how to fill out Visa application](#))

_____ [Medical Certificate](#)

_____ [Radiological Report](#): You will need to get a chest x-ray to verify that you do not have Tuberculosis. Please note that a skin-test is not acceptable.

_____ [Police Clearance](#): Take this to your local police precinct (city or county). They need to verify that you do not have a criminal record in that jurisdiction. It doesn't have to be anything formal; a letter on precinct/city letterhead will do.
