

Travel Health/Accident Insurance for non-covered participants

For Participants who are not eligible to be covered by Augsburg's EIA plan, we strongly encourage them to consider health/accident insurance that includes emergency evacuation. They may sign up for insurance with HTH through CGE's plan at their own cost.

We have an account with HTH Worldwide Insurance Services, which provides good medical coverage at our group rate:

- Ages 18-49: \$10.25/weekly
- Ages 50-64: \$41.00/weekly
- Ages 65-70: \$82.25/weekly

For more information visit the HTH website at <https://www.hthstudents.com/> using group access code BIH-2227. Participants do not need to be a student to apply for this coverage.
