STUDENTS OF COLOR ENDOWED SCHOLARSHIP FUND PROGRAM POLICY

Purpose of the Fund

The Students of Color Endowed Scholarship Fund exists to provide encouragement and financial assistance to a student of any class who is involved in a Center for Global Education and Experience customized program, or summer program, or semester program, *and* is affiliated with **one** of the following:

- The American Indian, Hispanic/Latino, Pan Afrikan or Pan Asian student service programs at Augsburg College
- Evangelical Lutheran Church in America (ELCA) college or university
- another college or university in Minnesota

The amount of any scholarship provided will depend on the applicant's financial need and depends upon the resources available in the fund during any given year. **Final decision regarding the awarding of funds rests with the Center for Global Education and Experience.**

General Criteria

1. Should apply at least two months prior to the expected date of departure.
2. Will be expected to contribute a portion of the total cost of the trip.
3. Will share their experiences with CGEE in the form of a written summary within 30 days of date of return. We also encourage scholarship recipients to share 3-5 photographs from the seminar with CGEE to accompany their summary. The summary and photographs may be used as content for our blog or in other promotional materials.
4. Will share their experiences with their community networks (e.g. university/college campus, faith community, family, etc.).
5. Augsburg College students will be required to attend the Scholarship Brunch at the end of the school year.

Specific Criteria

1. Should meet the general criteria and be a member of one of the groups listed under the purpose of the program.
2. Should be able to document financial need. Student status alone will not be sufficient documentation of financial need. Students may be requested to provide financial aid documents.
3. Will be encouraged to explore other resources prior to seeking CGEE scholarship funds.
