To enroll or make changes to your benefit elections, visit:
Inside Augsburg > Administrative Tasks > Open Enrollment.

For your convenience, your current 2020 benefit elections will be pre-populated in the open enrollment portal. Even if you are not making changes, we ask that you submit the enrollment form to confirm your selections will remain the same for 2021, even if you are declining coverage. Please note, 2020 pre-tax HSA and FSA elections will end in December, so you must elect an amount for 2021 to continue participation.
