

MEET THE AUGSBURG UNIVERSITY CLASS OF 2020

While Augsburg University is home to a total of more than 3,500 students in Minneapolis, Rochester, and abroad, we are proud of the work being done each year to draw new and diverse classes of future leaders.

And even though you may not be able to meet every incoming student at Auggie Soar (Augsburg's new-student orientation), or to celebrate Auggie Pride with them at every homecoming, we'd still like to introduce you to the next generation of informed citizens, thoughtful stewards, critical thinkers, and responsible leaders.
