GARDEN OF THE RIGHTEOUS: BUILDING SPIRITUAL RESISTANCE IN PERILOUS TIMES

A musico-historical contemplation for the here-and-now

February 18, 2022, 7:30-9:00 p.m.
Hoversten Chapel, Foss Center, Augsburg University
625 22nd Ave S, Minneapolis

At Yad Vashem, Israel's Holocaust Remembrance Center, the Garden of the Righteous Among the Nations honors thousands of Gentiles who during WWII risked themselves to save the lives of Jews from Nazi persecution. How did these people cultivate such courage? How do their experiences bear on our own place and time? Who are today's Righteous Among the Nations, risking themselves to save the innocent? How can we support them or number ourselves among them?

Join our presenters to learn from the stories of remarkable humanitarians from distinct countries and circumstances. History, poetry, and song will connect their lives with contemporary society in Minnesota.
