## ABOUT SUMMER COURSES

COURSE VALUES at Augsburg College are measured in Term Credits, directly interchangeable with Quarter Credits.

PROJECTED COURSE OFFERINGS are listed on the following pages. Courses with four-digit numbers are Augsburg courses; those identified with three digits followed by a letter are offered at Concordia College, St. Paul. Augsburg students may register for work on both campuses.

AUGSBURG COURSES intended primarily for juniors and seniors are those whose last two digits are 50 or above; for course descriptions see the catalog issue of Augsburg College Now. Concordia offerings numbered 300 and higher are similarly intended for upper-division students; course descriptions are found in the Concordia College Catalog.

INDEPENDENT STUDY, while not listed among the course offerings, may be pursued during the summer in a number of departments. For information consult the Summer School Office.

CHANGES IN SUMMER SCHOOL registration must be made at the Summer School Office. No course may be added after the third meeting of a daytime class or after the second meeting of an evening class.

SHOULD A STUDENT WITHDRAW from a course during the First Summer Term, he must do so at the Summer School Office not later than Thursday of the fifth week of the term. Final withdrawal date for the Second Term is Monday of the fourth week. Timely withdrawal obviates an "F" grade.

The College reserves the right to cancel listed courses.
