

Application for Readmission

Important Notes

- Readmission must be completed the Friday before the semester begins. Please note that processing may take up to 10 business days.
- If you have attended institutions other than Augsburg please contact the Registrar's Office to see if we already have official transcripts on file. If official transcripts are not on file they must be sent to the Registrar's Office. Your application will be held until they are received.
- All financial holds must be cleared before you can be approved for readmission.
- If you were suspended or withdrew while on warning or probation, you will need to submit a form explaining your circumstances for review by the Student Standing Committee (this review extends processing time). Please contact the Registrar's Office to receive this form.
- If you withdrew for medical reasons, it is no longer necessary to provide medical medical documentation in order to return.
- If you have changed your name since you last attended, you will need to submit a copy of your legal name change documentation to have your name changed on your student record.
