

These courses are approved by Augsburg's Academic Affairs Committee for meeting the Liberal Arts Perspectives in the General Education requirements. A term and year listed after the course title (e.g., "Fall 2007") indicates the effective term for the Foundation designation. Courses without an effective term have been approved since the beginning of the Perspectives area requirements.

AESTHETICS (A) - Emphasizes creativity, beauty and self-expression, and how these enhance the human experience. Focuses on aesthetic qualities in artistic expression.
