MINNESOTA STATE COLLEGES AND UNIVERSITIES

ARTICULATION AGREEMENT

BETWEEN

ROCHESTER COMMUNITY & TECHNICAL COLLEGE

AND

AUGSBURG COLLEGE

This Agreement is entered into between the State of Minnesota, acting through its Board of Trustees of the Minnesota State Colleges and Universities on behalf of Rochester Community & Technical College (herein RCTC), and Augsburg College (herein Augsburg).

This Agreement and any amendments and supplements, shall be interpreted pursuant to the laws of the State of Minnesota.

RCTC has established an Associate in Science (A.S.) degree in Nursing, and Augsburg has established a Bachelor of Science (B.S.) degree in Nursing, and will facilitate credit transfer and provide a smooth transition from one related program to another. The follow pages outline the transfer of 54 semester hours from RCTC to Augsburg; 74 semester credits remain to complete the Bachelor of Science degree.

The Board of Trustees of the Minnesota State Colleges and Universities is authorized by Minnesota Statutes, Chapter 136F to enter into Agreements and has delegated this authority to colleges and universities.

It is mutually agreed upon:

Admission and Graduation Requirements

- A. Augsburg offers a bachelor's degree completion program, therefore all nursing students enter as transfer students.
- B. A cumulative GPA of 2.5 or better in all previous post-secondary coursework is recommended for transfer student admission at Augsburg.
- C. In addition to meeting admission requirements for Augsburg, admission to the nursing major requires the following:
 - a. Completion of an Associate of Science degree in Nursing from RCTC with a 2.5 or higher GPA
 - b. Unencumbered RN licensure must be a registered nurse who is licensed and currently registered to practice in Minnesota prior to beginning the nursing major
 - c. Evidence of practice as a Registered Nurse
 - d. Personal Malpractice insurance
 - e. Required immunizations for health care providers
 - f. Evidence of HIPAA training
 - g. Federal criminal background check
- D. Students accepted into Augsburg must fulfill all graduation requirements to earn the B.S. degree.

Transfer of Credits

- A. Augsburg operates on a course credit system where each course is offered for 1.0 credit, which equates to 4 semester hours. Some courses are offered for 0.25 credits or 0.5 credits which equate to 1 or 2 semester hours respectively.
- B. Augsburg will accept up to 64 semester hours (16 course credits) of liberal arts courses from two-year institutions to apply toward degree requirement at Augsburg.
- C. Individual nursing courses from RCTC are not transferable to Augsburg. Instead, students will receive a block of 6 course credits (24 semester hours) to encompass previous nursing coursework. These 6 course credits (24 semester hours) are above and beyond the 16 course credits (64 semester hours) of liberal arts that may transfer from a two-year institution.
- D. A minimum of 32 course credits (128 semester hours) is required for a bachelor's degree at Augsburg.
- E. Courses will transfer as described in the Program Articulation Table included in the Articulation Agreement.
- F. Remedial/developmental and technical courses do not transfer to Augsburg.
- G. A grade of C or better is required to transfer any course to Augsburg.
- H. Based on the prescribed courses of study, it is likely that students who complete the A.S. degree in nursing at RCTC will reach *Advanced Transfer* status, that is having 13 or more transferable credits (52 semester hours) upon entering Augsburg.
- RCTC students who achieve Advanced Transfer status will receive the following waivers/substitutions in regard to completing the general education requirements (Core Curriculum) at Augsburg:
 - a. Waiver of the Entry Level Critical Thinking Requirement
 - b. Placement into REL 300 instead of taking REL100/200
- J. This agreement implies no guarantee of Advanced Transfer status to RCTC students.

Terms of Agreement

- A. The Chief Academic Officers or designees of the parties to this agreement will implement the terms of this agreement, including identifying and incorporating any changes into subsequent agreements, assuring compliance with system policy, procedure and guidelines, and conducting a periodic review of this agreement.
- B. Program curriculum and requirements listed in the Program Articulation Table may change.
- C. This Articulation Agreement is effective on 01/01/2011 and shall remain in effect until 01/01/2016 unless terminated or amended by either party with 90 days prior written notice.
- D. This Articulation Agreement will be reviewed by both parties beginning on or after 07/01/2015.
