    a. Click on the hyperlink of the Liberal Arts Foundation category.
    b. Click on the drop-down arrow and choose "All" at the top of the list.

    c. All of the courses that will indirectly satisfy the Liberal Arts Foundation (general education requirement) at Augsburg will be displayed in the right column.

If there is no tab called "# Course Match," one of two scenarios below is true:

    a. You did not select the Requirement Category of "Writing" on the first screen.
    b. There is no transfer course that is **indirectly** equivalent to ENL111. Most likely, though, there is a course that is **directly** equivalent to ENL111. See the school's static list under the "List 2" header on this Registrar website page.
