We'd love to meet you. On April 11th, 2017, The University of Minnesota Health welcomes all interested MSW students to attend an informal open house to meet and ask questions of the 2017-2018 placement field instructors. The University of Minnesota Health Social Work Department is offering MSW placements in the following areas for the 2017-2018 academic year:

Adult Cardiovascular, Inpatient (Foundation Level)

Pediatric Cardiovascular and Intensive Care Units and Emergency Department
(Clinical)

Adult Heart Transplant and LVAD's, Inpatient/Outpatient (Foundation Level)

Adult Lung Transplant, Inpatient/Outpatient (Foundation Level)

Otto Bremer Trust Center for Safe and Healthy Children, Inpatient/Outpatient
(Foundation Level)

MSW intern candidates will have the opportunity to interface directly with the field supervisor(s) of the placement(s) they are interested in. MSW intern candidates are encouraged to bring their resumes to give to field instructors. Light refreshments will be provided.
