- B. Beginning date
- C. Estimated ending date of placement

III. Formal Program Objectives:

*(To be developed by the individual student within each of the following areas)
Use the following to guide the development of tasks to meet the objective:*

Objective 1: [Develop an objective related to social justice]

What do you need to learn about the agency, its mission, its community, the population served, the history, political base, demographics, etc. that allows you to identify and analyze social justice issues?

Objective 2: [Develop an objective related to knowledge of the agency and community]

What do you need to learn and understand in regards to the agency's structure, programs, mission, laws and regulations, etc.? In what way will you learn this information? How does the community and agency's missions intersect or conflict? What are the resources?

Objective 3: [Develop an objective related to using theory and social work skills in agency practice]

Identify skills and tasks related to practice in program development, policy and administration. Must be able to identify a theoretical framework and corresponding practice methods that are considered standard practice. This objective must also include tasks related to writing skills appropriate to the placement. The theories and skills must demonstrate sensitivity to the issues of race, gender, sexual orientation, religion/spirituality, ableness.

Objective 4: [Develop an objective related to personal and professional growth in the social work profession]

Identify growth areas and those areas that are strengths related to self as a practitioner. This should encompass not only practice skills but the awareness of personal biases.

Objective 5: [Develop an objective related to colleagues]

Developing working relationships with colleagues and other professionals in the field agency. What skills will you develop and what tasks will assist specific to teaming?

Objective 6: [Develop an objective related to field instruction]

How you will use supervision to develop and understand your role and skills as a social worker?
