

TRIO/SSS TRIBUNE | SPRING 2021 Volume 9, Issue 2

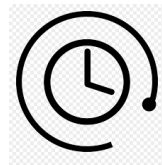

Happy New Year! Welcome 2021, Peace out 2020

Welcome to 2021 and the beginning of spring semester. Hopefully you had a restful winter break and a chance to re-energize and reflect on 2020. To say that 2020 was a year we will never forget would be an understatement. As tough as 2020 was, we also saw how resilient our students are. We continue to be amazed at the hard work and dedication that our students have to their education and we are looking forward to working with each of you this spring semester.

TRIO/SSS Moodle Site

Continue to check the TRIO/SSS Moodle site for updates and information on upcoming events, workshops, and important announcements. You can also access the zoom link to virtual “zoom-in” hours with TRIO/SSS Advisors.

TRIO/SSS Hours of Operations

Due to the continuing rise in Covid-19 cases and the safety of advisors and students, TRIO/SSS Advisors are working remotely until further notice. Advisors will continue to provide drop-in “zoom-in” hours. Please check the TRIO/SSS moodle site for available “zoom-in” hours and to access the link.

Equipment Check Out

Augsburg will continue to allow students to check out laptops for the spring semester. To request a long-term laptop loan, fill out a student [laptop request form](#).

Students taking a Math or Computer Science course that requires a Wacom drawing tablet can request one through the [Lindell Library](#). (Note: If you already have a touch screen laptop, it works the same as a Wacom drawing tablet).

TRIO/SSS students who are interested in checking out a graphic calculator or Smartpen can contact our Program Assistant Annie Chen at triosss@augsborg.edu for more information on equipment request and pickup.

We also have limited school supplies of notebook, folders, pens, and pencils for TRIO/SSS students. Please contact our Program Assistant Annie Chen at triosss@augsborg.edu for more information.

TRIO Weekly Blast

- ▶ TRIO/SSS will continue to send out weekly blast emails every Monday with important information and reminders. Please make sure to read through the weekly blast. We know you are bombarded with a lot of emails daily, therefore we promise to only include important information that you need to know.

2 Ways to meet with a TRIO/SSS Advisor

- ▶ You can stop by during “zoom-in” hours or schedule an appointment via [ScheduleOnce](#). You can access ScheduleOnce through the TRIO/SSS moodle site.

WORKSHOPS

TRIO/SSS Spring Workshop

- ▶ Remember to sign up for your 2 required workshops this semester. Visit [ScheduleOnce](#) to see workshop descriptions, dates, times, and to register for a workshop.
