

PROGRAM APPLICATION

Essay Questions

Respond to the following questions in a separate document. Send both these responses and your completed application to trioss@augsborg.edu. Or you can print and bring both application and responses to TRIO/Student Support Services in Lindell Library 201.

Take time to formulate your responses, as they are a vital part of the selection process and will help us determine whether you are a good candidate for the TRIO/SSS program.

1. Rising tuition costs and the pandemic's effect on the overall college experience have greatly influenced students' choice to continue in higher education immediately following high school graduation or at all. Why did you choose Augsburg and TRIO/SSS, particularly now?
2. Many people have noticed the pandemic has either intensified already present challenges or created new ones that have been barriers to success. How did you respond to this change in your educational experience and what have you learned about yourself?
3. In addition to graduating from Augsburg University, what other goals do you have for yourself and why? How do you anticipate TRIO/SSS will help you achieve those goals?
4. It is said that people form an impression of you within one minute of meeting. If you had the opportunity to meet in person with the TRIO/SSS selection committee, what would you like them to learn or remember about you from your first impression?

Program Release of Information

Most student information provided to TRIO/SSS is protected by the Family Educational Rights and Privacy Act (FERPA) and will not be released without the student's written permission. TRIO/SSS would like your permission to access and release family and student information for the following reasons:

1. TRIO/SSS must report student academic progress and eligibility information to the U.S. Department of Education to demonstrate program effectiveness when requesting renewed funding.
2. Scholarship agencies, leadership, internship, employment and educational programs contact TRIO/SSS to offer opportunities to participants. TRIO/SSS may release student information (grade summaries, letters of recommendation, etc.) to these entities. TRIO/SSS never sells lists of names or other student information.
3. Augsburg Student Financial Services will provide us eligibility and Financial Aid Award information.
4. Academic progress monitoring with faculty and instructional support staff for the purpose of students' continued academic success and possible intervention by program staff.

I give TRIO/SSS permission to release information for the above purposes. I verify that all information provided in this application is true and accurate.
